"Our photographs were magazine quality and captured the day perfectly. By the end of the wedding, we felt like he was a part of our family."

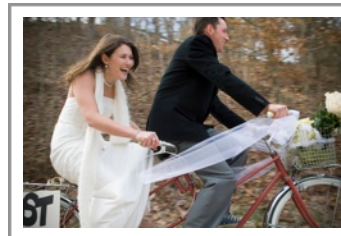

-Jessica & Justin, Asheville, NC

My Vision:

Your wedding is unique. Whether its an elegant wine-country ceremony, a mountaintop hoedown, or a romantic island getaway, your day is a celebration of two special people, expressing a love that is all your own. I am privileged to be there for your most intimate moments, and I want to create an uncommon, irreplaceable portrait of your day. Your photography should be unique to you.

I also like to have fun.

The Investment: \$5000

This covers a full day of photography, including formal portraits. No time limits.

Go ahead and plan that midnight bonfire.

My final edit is available to you high-resolution on a DVD as well as online for sharing and print purchases.

Additions:

- Polaroid Guestbook Station or Photo Booth: \$750
 - Custom multimedia piece \$1200
- Professional book-bound hardcover album: \$850, reprints at \$100
- Separate-Day Engagement Portrait Session: \$1000

The Details:

Location Fee: The cost of travel and lodging for one person will be added for multi-day weddings or weddings involving travel, with a minimum of \$500.

Staff: I generally have at least one assistant photographer on staff regardless of the size of the wedding, and often more, for photo booths or larger weddings. My staff is included in your investment, and are there for the sole purpose of helping me create amazing photographs of your day. You will love them.

Prints: While you are free to make and share prints of the final edit on your own from the DVD, a full selection of prints will also be made available online at a very reasonable price. Custom prints are also available.

Photo Selection: Great photographs don't end in the camera. A thoughtful edit is critical to make the final product special. I will make my selections of photographs based on my creative eye and expertise. Trust me on the final edit, and the multimedia piece.

Albums: Not your typical leather-and-plastic-sleeved photo album, these are professionally printed hard or soft cover books featuring your photographs. You have to see them to believe how beautiful these are! Parent's Albums are available for \$350 with the purchase of a main album. A Parent's Album will usually contain different photographs for each side of the family.

Payment: I ask for a nonrefundable 50% down at the time of the agreement, and the final balance within 30 days of the end of the event.
